

This campground has been designed with minimum rules to be enforced because of the “One booking for the entire campground” Rule. This means there are less rules than most other campgrounds needed to govern the interaction between guests because they are related as Friends or Family.

1, Bookings

All camping guests and their vehicles must be registered to stay at this campground. All Vehicles arriving at Main Access gate are Video recorded and must be registered on original booking. If a vehicle drives through the main gate that is not registered this will result in an alarm warning with the Caretakers. Bookings must be made on the website. The campground must be paid for online at the booking website. This site uses Paypal or Credit card. The person making the booking is considered to be the “responsible person in charge”. This means they are making the decisions for all other guest campers in their group booking. There is a two day minimum booking for weekends and a minimum three day booking for long weekends that include a public holiday. The minimum week day booking is two nights.

All refunds and credits are subject to a minimum administration fee. Once a booking has been made it is locked in. A minimum cancellation fee of 10% on all bookings. Bookings may be cancelled provided 21 days clear notice is given, so book wisely. Inclement weather is not a circumstance for a refund. If access to campground is restricted by flood waters a refund may be provided by discretion of management or a 90 day credit for future use may be given. Check in time is 1pm and the campground is to be vacated by 11am on day of departure.

2, Maximum Number of Guests

The maximum number of guests is 25 including children over 3 years old. Children under 3 years old are free of charge and not included in maximum guest numbers Rule.

Trucks over 4.5 gvm are not allowed. Vehicles longer than 5.5 meters are not allowed as it is unsuitable. Vehicles towing Camper trailers must be Four wheel drive.

4, Number of sites:

Camper trailers can only be set up in the carpark areas. An open grassed area for pitching Tents is available. It is a 25m x 100m area with no separately-defined tent sites. Guest may place tents anywhere in this area. The tenting area and the carpark are the only areas in which guests may pitch a tent. Unlimited tents may be pitched in this area. There is plenty of room to spread out.

5, Fires and Firewood

Guests are allowed a campfire in the designated fire pit. An amount of firewood is supplied for each night's stay as part of your campground fee. This is subject to a fire ban restriction being in force. Check www.ruralfire.qld.gov.au (Somerset Regional Council).

Please do not collecting of any wood on the campgrounds. Please leave chainsaws, Axes, Tomahawks at home. Please do not pick up sticks for fire wood. This is very important as if you pick up firewood sticks and branches you will remove habitation for Fauna and flora of this forest. Then the campground will become a bare paddock devoid of life.

6, Pets

Sorry but Dogs are not allowed. You will not get to see Turkey's, goanna's, Wallabies and other wildlife if your dog is chasing them away.

7, VISITORS

Visitors are allowed at this campsite. The fee for a visitor is the same as the adult or child night rate. All camping guests or visitors must be registered to stay or visit at this campsite. All Vehicles arriving at Main Access gate are Video recorded and must be registered on original booking. If a vehicle drives through the main gate that is not registered this will result in an alarm warning with the Caretakers. This is for your safety and your security. The campsite and Neurum creek itself is privately owned. This means no one can walk up the creek or through your camp area it is yours exclusively.

8, INTERNET USAGE

The internet is available for guests to use as part of your camping fee. There is sufficient bandwidth to live stream and check emails.

9, REFUGE AREA

All garbage must be wrapped in plastic and placed in rubbish bins provided at the refuge area. Please do not allow rubbish to blow around campsite and enter Neurum creek or surrounding forest.

10, NO DISTURBING NATIVE FAUNA AND FLORA

Please do not hunt or use firearms at this camp ground or collecting Native fauna and flora

Please do not place tarps on ground it will kill the grass. Please use mats or mesh. Tarps are allowed above ground level for shelter on your camp site

11, CAMPGROUND BOUNDARIES

There are clearly marked Boundaries at this campsite with signs and "sight wire". They are there to keep your privacy and security.

Please stay on pathways. This prevents damage to native flora and fauna and if something such as an accident or medical problem was to happen to a guest emergency services will be able to locate them.
